

MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Ceiling for Junior Officer Trainee Program

REFERENCE : Memo for DD/S from DTR dtd 10 Apr 57,  
Same Subject

If approved funds can be made available. However, it appears that a decision on this matter should be deferred pending the outcome of the meeting to be held this week by the Director on personnel ceilings and funds. If the final decision by the Director is to reduce ceilings, then this request may not be in order unless specific decreases are made in the offices using JOT's to offset the requested increase.
